

Incendiary Blaze Sweeps Over Big Area At Prosser

Contractors Get Credit As Fire Stopped In Edge Of Timber

An incendiary fire northeast of the Prosser Creek bridge on Highway 89 Thursday scorched 15 acres of brush land and was halted before it reached a heavy stand of timber.

The fire, definitely set, started at 3 p. m. and within minutes crews and cats from the Heintz Construction Company and tankers from the Isbell Construction Company joined suppression crews and stopped the flames fanned by a 30 mile an hour wind.

One pickup truck belonging to the forest service, manned by Dick Schultz of Kentucky had to be abandoned in the path of the fire because of mechanical trouble and was destroyed. The pickup, ordinarily assigned to Roger Johns, a local patrolman, contained a \$150 camera belonging to Johns.

Four borate planes and 50 men were immediately assigned to the blaze which threatened to develop into a major conflagration.

Local ranger, Roy Saarni was high in praise for the quick and unsolicited aid given by the construction company crews and equipment which were credited with preventing further spread of the flames.

Drivers Cautioned About Fire Delays

Officials of the U. S. Forest Service are appealing to the motoring public to be more cooperative when fires occur.

Traffic jams, created when the curious stop their vehicles to watch the flames eat into timber or brush, prevent fire fighting equipment and officials from reaching the scene.

Henry Branagh, supervisor of the Tahoe National Forest, said it took officials from the Truckee station nearly half an hour to reach the Donner Ridge fire because of the congestion on the highway as scores of sightseers stopped. This delay may well have resulted in the fire gaining such headway that within minutes it was entirely out of control.

Equipment was standing by awaiting orders to tackle the fire but officials were delayed in getting this equipment and fire fighters to the scene.

The same appeal has been made by officials of the fire department who often are hampered by curious motorists flocking to fires ahead of the equipment and firemen.

CITIES LOSE, COUNTY GAINS POPULATION

Nevada County proper showed a 3.4 increase in population in the past ten years, although both Nevada City and Grass Valley showed a decrease.

This is according to the preliminary report on the 1960 federal census.

While the county, including the Truckee-Donner area, gained 675 persons from 19,888 to 20,563, the City of Grass Valley lost 493 and Nevada City decreased by 226.

Placer County showed an increase of 35.8 per cent, reflecting the growth in the Lake Tahoe area with both Auburn and Roseville also showing an increase. Sierra County showed a loss of 7.2 per cent during the 10 year period.

BOWLING BOOSTERS ARE GIVEN TROPHY

Not only did the men win a trophy in the Summer Industrial League bowling tournament at Kings Beach Bowl, but their wives came in for a surprise when they were presented with a trophy appropriately engraved with their names.

The trophy took its place on the back bar at Smart's beside the one won by the Smart's team.

The names inscribed thereon include Jean Scanlon, Shirley Straub, Dot Leamon, Evelyn Menze and Rose Sardi.

CHAMBER MEETS

TAHOE CITY—The Lake Tahoe-Sierra Chamber of Commerce will hold a directors meeting at Sunnyside Lodge on Highway 89, Tuesday, September 13. Luncheon will be at noon with meeting immediately following.

Canadian Trip—

Major and Mrs. Robert Edwards returned home last week from a tour of the northwestern states and western Canada. They were accompanied by Miss Freda McDermott of Edmonton, Canada.

Fair Trip—

Barry Leamon who was 16 years old September 2 spent the weekend at the home of Mr. and Mrs. Charles Walker and attended the state fair.

Weinands To Reno—

Mr. and Mrs. Hugh Weinand and family left Truckee to live at Reno.

Report Points Up Need For Better Hospital Facilities

The Tahoe Forest Hospital received a report from the state bureau of hospitals covering the results of a recent inspection by a representative of that department.

The report commented on the fact that beds containing patients were located in the halls and recommended that additional rooms be provided. It was noted that equipment was also stored in the halls. Additional storage facilities for this equipment were recommended.

"In future planning," the report continued, "the board should consider additional patient rooms, delivery room, labor rooms and other facilities that, at the present time, are very limited as to space. Additional storage space is definitely required as soon as possible. Maintenance and general housekeeping of the entire facility was outstanding."

"The board of directors, together with the medical staff, have been working for some time on plans for expanding the hospital's facilities. The board and the medical staff realize that the present plant is inadequate to meet the growing demands of the communities it serves. In order to provide adequately for the medical aspect of patient care, more space must be provided. This will permit the hospital to fulfill its function as the community health center and provide the needed services for the people of our area," J. J. McGlade, hospital administrator, said.

FORMER LOCAL MAN DIES AT HEALDSBURG

William J. Thomas, Virginia City, Nevada native, died in Healdsburg last week.

Though born on the Comstock, Thomas resided most of his life in Hobart Mills. He was manager of Hobart Mills Mercantile Co. there for 32 years. He moved to San Francisco upon retirement but spent several summers managing the Tahoe Tavern commissary.

His sister, Mrs. Hannah Stewart, preceded him in death in Reno. Thomas was the brother of the late Richard (Ginger) Thomas, who taught school in Virginia City for many years.

Surviving in addition to his widow, Mrs. Lulu Thomas, are two daughters, Mrs. Dollie Mader of Healdsburg and Mrs. Bernice Mader of Geyserville, and a son, William T. Thomas of Lodi. Four grandchildren and a great grandchild also survive.

Among surviving nieces are Mrs. Norma Cavallo and Mrs. Ida Grack, both of Reno and Mrs. Edna Wilkins of Woodland Hills.

LITTLE LEAGUERS TO PLAN FOR NEXT YEAR

A meeting of all Little Leaguers will be held at Crystal Bay Club Sunday evening, September 25 at 8 p. m. where there will be a discussion of plans for next year's play and plans made to establish a Babe Ruth League.

A large turnout of parents is anticipated.

Last Saturday at the ball park the Little League perpetual trophy was awarded to the Tahoe City Club for 1960. The trophy will be on display at various Tahoe City stores and then will be placed in the Tahoe Lake School.

The Little League will meet at 4 p. m. Saturday at the ball park for presentation of trophies and for photographs of all teams.

NO CHANGE IN BUCK HUNT SEASON SEEN

As far as can be determined at this date, there will be no change in the opening of the buck hunting season on September 24.

Placer County supervisors recently passed a resolution asking that the season opening be delayed until the current high fire hazard is ended, but no action has been taken and as far as can be learned none is contemplated to change the date.

The Nevada County supervisors discussed the idea of a similar resolution but took no action at their last meeting.

Sheritt In Hospital—

Jim Sheritt of Soda Springs was rushed to Tahoe Forest Hospital early Friday morning by Mrs. Sheritt who later reported that he appeared improved.

Nichols At San Jose—

The Robert Nichols have moved from Truckee to San Jose.

Boy Lost In Wilds Found Safe After Frog Lake Search

Missing Youngster Found By Posse After Long Search

Three-year-old Michael Smith, son of Mr. and Mrs. Nathan Smith of Frog Lake and San Francisco, was returned unharmed to his parents Saturday after being lost in the rugged area of Frog Lake for seven hours.

The boy wandered away from the family home at 10 a. m. Saturday morning and when a search by family members and neighbors failed to locate him, the sheriff's office here was notified at 1:30 and a posse was immediately organized.

A helicopter and plane were sent into the air and 35 men joined in the ground search.

At 4:30 p. m. Michael was found two miles southeast of his home by Ross Patton, a prisoner in the local jail who had volunteered for the search.

Heading the search party were Deputies Sheriff Roy Waters, Preston Patnoud and Leo Zander.

Aside from being tired and hungry, the little boy was unharmed but was more than pleased by his rescue.

Registration Ends On September 15

September 15 is the final date to register for the general election November 8.

County Clerk John Trauner announced that those eligible to vote may register without charge in this vicinity with Eve Hallett at the Truckee Public Utility District office in Truckee, with Clara Felesina at Floriston or with Frances Couillard at Soda Springs Hotel.

A resident must have lived in the state a year, in the county 90 days and in the precinct 54 days in order to be eligible.

Those who did not vote in the 1958 general election or have moved or changed their name must reregister.

SWISS WRESTLING TO BE LAKE ATTRACTION

The public is invited to the seventh annual Swiss Wrestling contest, stone throw and dance to be held Saturday, September 17 at Donner Lake Lodge.

The event is sponsored by Arnold Inderbitzen of the Swiss Club who has managed the affair since its inception in this area. More than 500 people annually attend the affair which is free of charge, except for the dance in the evening.

Inderbitzen said that between 20 and 30 wrestlers from all parts of the west will enter the matches which start at 11 a. m. and continue throughout the afternoon. Inderbitzen will referee the difficult matches.

In the stone throw, a 157-pound stone is used and the man heaving it the farthest is the prize winner. The dancing will continue throughout the night as young and old join in the fun-fest.

NURSERY SCHOOL TO MEET NEXT MONDAY

The Truckee Parent Cooperative Nursery School will have its first session Monday, September 12 in the kindergarten room of the old grammar school.

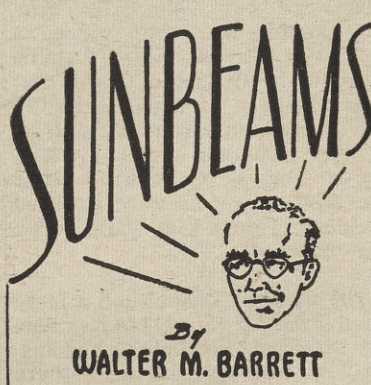

The nursery school will be held from 9 to 11:30 a. m. Monday through Friday for children from two to five years of age, and interested parents are invited to participate.

GRADUATES

Miss Virginia Fudge, daughter of Mr. and Mrs. Raymond A. Fudge of Truckee, recently graduated from the Reno Beauty College and along with fellow students will soon be traveling to San Francisco to take the California State Board of Cosmetology and Hairdressers examination.

Better Following Surgery—

Mrs. J. Kaler wrote from Sacramento that she had undergone serious surgery in April and is improving in health, following a long recuperation. The well known Truckee residents are hopeful that they will be able to be here next year, meanwhile keeping in touch via Sierra Sun.

WALTER M. BARRETT

"The basic, vital right of every American to cast his ballot on election day is a priceless thing. Our forebears fought and died to win it; men die in a turbulent world today because they do not have it." Thus spoke Governor Edmund Brown in urging every citizen to register and vote in this important year of decision. Every voter is urged to check up now on his voting status and must be registered by September 15 to cast a ballot in November. A voter must be an adult citizen who has lived in the state at least one year, in the county 90 days and in the precinct 54 days. If you have recently moved or did not vote at the 1958 general election, or have changed your name you must register by September 15 to qualify.

Those who have failed to register have thrown away their share of stock in democratic government. It is like tossing a diamond into a rubbish heap, or losing a gun on the way to battle," the governor declared. November 8 is election day. Let every California voter's voice be heard.

FIREMAN OVERCOME AS FLAMES KNOCK OUT PHONE SERVICE

Telephone service in the Lake Tahoe area was disrupted at 6:35 a. m. Tuesday when a fire of unexplained origin broke out in the tandem equipment at the Tahoe City plant. One hundred feet of cable and two-thirds of the batteries which operate the equipment were destroyed.

Work was started at once and by noon the circuits were again operating normally, Robert Harrison, public relations manager at Reno reported.

One fireman and member of the telephone company crew, William Keehn, was hospitalized after being overcome by smoke while fighting the fire. Fire Chief Al Henry led the Tahoe City volunteers in combating the blaze.

TRAIN IS SEARCHED FOR ESCAPEE HERE

Search for an escaped Nevada Highway Patrol prisoner was conducted on a long Southern Pacific freight train Sunday afternoon without results.

The suspect, William Collins, Jr., 40, was wanted by the FBI for questioning as a suspect in transporting a stolen car across a state line.

All deputies sheriff and California Highway Patrol personnel joined in the search but Collins was not located.

AUXILIARY TO HOLD DANCE SEPT. 17TH

The Ladies Auxiliary of the Donner Lake Volunteer Fire Department will sponsor a dance to be held at Smart's on September 17 starting at 9 o'clock. There will be live music.

A free smorgasbord will be served free at midnight and the price of admission is just \$1.50 per person. All persons 21 or over are invited to attend and join in with all of the fun.

DINNER HOSTS

Mr. and Mrs. Frank Gaiennie were hosts Sunday evening at a dinner party which included Mr. and Mrs. George Pace, Sr., George and Paul Pace, Miss Judy Pursley all of Santa Clara and Joe Miller of Truckee. Mrs. Gaiennie also received congratulations in honor of her September 7 birth date.

Travelers—Mrs. Elden Tonini has been the guest of Mr. and Mrs. Claire Good this week at Woodland.

Miss Mary Ann Tonini left for Colorado where she will resume her position as a teacher, following several weeks here with her parents, Mr. and Mrs. Elden Tonini.

To Tucson—

Mr. and Mrs. Gordon Stewart and their three children have moved from Thatcher to Tucson, Arizona where he is attending college preparatory to becoming a teacher.

Truckee Tax Rate Of \$6.61 As Final Costs Determined

Maximum Rate To Include All Districts; Basic Rate Up

The tax rate for property owners in the Truckee fire, hospital and sanitary district this year will be \$6.61 per \$100 assessed valuation.

This was revealed in a compilation of taxes submitted by County Clerk John T. Trauner, showing the basic county rate to be \$2.08, or 19 cents higher than the \$1.89 last year. Much of the increase in the basic rate is due to an increase in the budget of the county hospital which went from 40 to 59 cents.

A breakdown of the local taxes shows that Truckee proper, including all districts is \$6.61, with school bonds accounting for 74 cents; school maintenance, \$1.76; hospital district, 8 cents; hospital bonds, 5 cents; Truckee sanitary, 60 cents; Truckee fire district, 44 cents; Sierra Junior College, 37 cents; Sierra Junior College bonds, 29 cents and Truckee Tahoe Airport District, 20 cents.

The rate in Truckee varies slightly, depending upon whether the assessed property is within certain districts.

At Floriston the rate varies from \$5.44 to \$5.57 while at Donner Trail the rate runs from \$5.44 to \$5.94, depending upon the districts serving the property.

Final Buck Derby Plans Tomorrow

The Truckee Outdoor Sportsmen will meet tomorrow night at 8 p. m. in Capitol Hall when plans for the Buck Derby will be discussed and a film titled "Wild Life of the Future" will be shown.

President William Fordham is asking that all members attend the interesting session as the derby is being planned for the benefit of the area.

All interested adults and children, even though they are not members of the group are cordially invited to attend.

GREAT BOOKS CLUB TO RESUME MEETING

Now in its fifth year, the Great Books Discussion Group resumes its twice-monthly meetings September 14. A discussion of Virgil's The Aeneid will begin at 8 p. m. in the library of the high school in Truckee.

The Great Books program is a movement of national scope with participation in every state in the union and in several foreign countries where large numbers of American personnel are stationed. The meetings are free and open to anyone who enjoys reading for ideas and then meeting with friends to discuss their ideas. Each meeting represents a new and independent subject.

Visitors are welcome to attend any meeting. Watch the Sierra Sun for assignments and schedule of meetings or telephone Roy Baker in the library or Mrs. Hilda Hintz for specific information.

LAST RITES ARE HELD FOR HELEN JENKINS

Funeral services were held in Reno this morning for Mrs. Helen Jenkins, wife of Joseph E. Jenkins, former oil company distributor in Truckee, who died at a Reno hospital on Monday. She was a member of Naomi Rebekah Lodge of Truckee.

Besides her husband, Mrs. Jenkins is survived by a son, Ray E. Jenkins of Reno.

The Jenkins left here 18 years ago and have since lived in Reno.

TELEVISION TO SHOW DAMAGE FROM FIRES

Some of the sad results of the recent Donner Ridge fire will be aired over Channel 3, KCA television from Sacramento Friday evening, September 16 at 7:30 p. m. A crew of cameramen, directed by Stan Atkinson arrived Monday to take pictures of the devastation and were shown over the area by Wayne Hubbard of Keep California Green, Inc.

Johnson Scans Loss Caused By Donner Ridge Fire In Area

Accompanied by Assistant Regional Forester Grant A. Morse of San Francisco and Supervisor Henry Branagh of the Tahoe National Forest, Congressman H. T. Johnson Friday made a helicopter inspection of the damage caused in the Donner Ridge and Forest Hill fires which two weeks ago wiped out millions of feet of timber.

The congressman arrived from Washington Thursday night at the conclusion of the 86th congress and made the inspection of the burns his first order of business.

Through the efforts of Johnson and others, congress just prior to adjournment appropriated \$1,300,000 for use in fire damage and reforestation, but \$500,000 of this goes to southern California. Johnson said that early in January he will renew his request for additional funds for the purpose.

The inspection trip over the area revealed that although there are a few isolated spots in the path of flames which escaped damage, the fire resulted in a 70 per cent kill.

Branagh said that no more green timber will be sold this year and that the service will concentrate on salvaging as much as possible from the major burns in the forest.

Twice as much timber has been destroyed by fire this year as was marketed during 1959, the supervisor declared. The total sales last year totaled 100,000,000 board feet while fires this year have destroyed 200,000,000 feet.

Johnson said that on September 27 he will make another tour of the fire ravaged area accompanied by Charles Connaughton, regional forester and M. N. Bryan from the chief's office in Washington, D. C. Immediately after the local tour, Johnson went to Plumas County where he conducted a similar examination of fire damage in that forest.

Branagh said that while investigation of the start of the Donner Ridge fire was continuing from all angles, he anticipated it would be some time before actual blame would be established.

11,783 VEHICLES ARE REGISTERED IN COUNTY

SACRAMENTO—(CNS)—A total of 7,837,902 vehicles were registered in California between January 1 and June 30, the Department of Motor Vehicles reported, an increase of 492,859 since mid-1959. This included a total of 11,783 vehicles registered in Nevada County during the period.

A breakdown for the county showed the total included 8,462 automobiles; 2,132 trucks; 1,130 trailers; and 59 motorcycles.

The statewide breakdown of the total of 7,728,465 fee-paid vehicles showed 6,161,605 automobiles; 855,376 trucks; 649,318 trailers and 92,166 motorcycles.

MARY MARQUIS, 78, EXPIRES IN OREGON

Mary Marquis, 78, former clerk at the Hotel Truckee when the establishment was operated by Mr. and Mrs. Art Walters now of Sacramento, died August 17 in the home of her son, Everett Marquis in Eugene, Oregon.

Since leaving Truckee, Mrs. Marquis was clerk at the Kit Carson Hotel in Reno for seven years prior to her retirement a year ago when she went to Oregon.

She was born in Illinois August 5, 1882. She is survived by three sons and numerous grandchildren and great grandchildren. Funeral services were held in Eugene on August 19.

KARL SCHMIDT HURT IN AUTO ACCIDENT

Karl Schmidt, 75, of Woodland, who spends his summers at Home-wood Resort, was seriously injured when his car recently ran off Highway 40 and overturned a mile east of Newcastle. He told the highway patrol he became confused and lost control when another driver shouted at him.

FROM SANTA CLARA

Mr. and Mrs. George Pace with sons Paul and George, a former well known Truckee family have been visiting Mr. and Mrs. Walter Loynd and the A. Paces from Santa Clara. Young George is a fourth year student at the University of Santa Clara, studying engineering.

Parlaris At Bay—

Mr. and Mrs. Paul Parlaris and baby are now living at Alameda.

Big Enrollment In Local Schools As Classes To Start

Class Consolidation, More Teachers Seen Likely This Year

The five schools in the Tahoe Truckee Unified District open Monday, September 12.

Superintendent John Corbin predicted that the maximum enrollment this year will be approximately 15 per cent over the 1959 last year, bring it up to approximately 1,700. This number will shrink some as winter advances and families leave for the lower elevations. However, the minimum is expected to be far above last year's.

Although at the present time the facilities in all schools are complete, Corbin said it may be necessary to combine some classes or employ additional teachers if present predications are borne out.

There was a total of 440 in the high school last year at the peak of the year, dropping to 400 as the season wore on.

The new athletic field is still not completed but Corbin said the five home football games will be played there, with practice continuing on the old field. Bleacher seats for the new field are to be under construction at once.

The bus schedules for this year will be virtually the same as for last.

(Continued on Page 8)

GOLF TOURNAMENT AT LAKE CANCELLED

Cancellation of the Lake Tahoe Fall Invitational golf tournament, scheduled for September 9-11, was announced last week.

Reno professional Peter Marich, longtime director of the annual classic, made the announcement, according to the San Francisco Examiner, after learning that the event's four sponsoring casinos on North Shore all planned to close right after Labor Day rather than remaining open for the extra golfing weekend.

Marich attributed the cancellation to the forest fire which recently burned near Truckee sending scores of vacationists home early.

The entry list was down to a scant 110 and the requirement to make the event a success, Marich said, is 250.

BELL IS HONORED BY POWER ASSOCIATION

Wilbur L. Bell, manager of the Truckee Public Utility District was notified today that he has been appointed to the power use committee of the American Public Power Association.

This committee is active in stimulating interest in power use programs throughout the United States.

Bell formerly served on the transmission and distribution committee. While serving on this committee he spent two weeks in South America studying high voltage distribution practices and methods.

NEW HOUSES

Mr. and Mrs. Gene Welch are building their house on the hill above Commercial Row which will afford an excellent view of the surrounding mountains.

Mr. and Mrs. G. F. Drewrey also have a new house in the process of construction at Gateway Park.

To Oregon—

Jim Loynd, son of Mr. and Mrs. Walter Loynd will leave to enter Oregon State College for the fall semester.

John M. Reilly, president of the
organizing group for the new ski
development, Alpine Meadows of
Tahoe, Inc. was host, with Mrs.
Reilly at the first annual pre-season
picnic barbecue last Sunday. About
25 people were given inspection
tours by Peter Klausen, Pete
Heuga and young John Reilly. Sun-
day evening the group viewed a
movie by Warren Miller "Alpine
Meadows by Helicopter" taken last
year when the principals surveyed
and scouted the area, enjoying trips
to the mountain peaks by heli-
copter and skiing down. After
the meeting, prizes were awarded
to those visitors who qualified on
the "Show Me Trip."

The Outdoor Chapel had a large
attendance for its next-to-last Sun-
day services. Weather permitting,
services will also be held there
next Sunday.

Realtor Al Conley reports that

NOTICE OF TRUSTEE'S SALE
WT 504791 rm

On Thursday, the 22nd day of
September, 1960, at the hour of

when the land at May-Ah-Mee
Lodge is cleared plans are made to
build community apartments with
swimming pool, a shopping center
and real estate office. Conley says
he is making every effort to save
the beautiful trees on the property
while old buildings are being
moved and during new construc-
tion by the owners Harrington and
Yager.

Mrs. Ralph S. Peer gave a fare-
well-to-summer cocktail party at
White Fir, for some 50 friends in
the lake area, among them the
Thugh Mullin family; the Milton
Selbys; Don Huff family, and
grandchildren; the Miglavacas of
Napa Valley; Mr. and Mrs. Russell
Fiddymont of Woodland; the Robert
Meiers; Miss Sally Rolan of
Santa Monica and Miss Nancy
Peterson of Sacramento. Two
school friends of Ralph II were also
guests, "Stosh" Thompson and
"Wick" Rowland of St. Paul's
School, Concord, New Hampshire.
Recent guests for luncheon were
friends from Japan, the Yuri Naka-
motos from Kamaguchi. Labor Day
guests of Mrs. Peer were Mrs.
Frank Mullen of Los Angeles, her
two sons Frank, Jr. and Peter; and
Bill Warner of Los Angeles.

Newlyweds Sterling Edwards
honeymooned at their new place
bought by Sterling for his bride
on the lake near Tahoe Tavern and
had a visit last weekend from his
sons, Ford Hammond and Geoffrey.
The Edwards plan a world trip this
fall.

At Tahoe Tavern last week the
San Jose Unified School District
convened with an attendance of 150
educators. This week the Tavern
is host to 200 Port Authorities
from the west coast who enjoyed
visits to Squaw Valley and Cal-
Neva. Manager Pat DiMingo of
San Francisco says the Tavern will
close September 10 this year, due
to the Port Authorities conven-
tion, instead of Labor Day as is
the usual custom.

Dr. George Scheetz at his Tahoe
Tavern office, reports that water
skiing accidents were down about
50 per cent this year. He credits
the good work of the Coast Guard
patrol. Dr. and Mrs. Scheetz had

DONNER SUMMIT NEWS

By LLOYD W. GAY

LIGHTNING FIRES

The local forest news continues to be fires, as the lightning storm early last Saturday set ten fires on the Big Bend District. The fire suppression crews from Big Bend Ranger Station and the Snow Laboratory were kept jumping for two days in an effort to contain these fires before they had a chance to spread. Several fires were in inaccessible country and

aerial tankers were called in from Nevada City to drop borate in order to contain the blazes until crews could reach the area on the ground. The first fall rains and snows will indeed be a welcome sight in our dry forests.

RATES SET

On the August 29 meeting of the board of directors of the Donner Summit Public Utility District, it was announced by Acting Chairman Harry Pratt that the district tax rate for the 1961 fiscal year would continue at its present level of 50 cents per \$100 valuation. It is expected that the feasibility report of the consulting engineering firm which has been studying proposals to improve the local PUD

water system will be presented at the September 6 meeting to be held at the Donner Summit Lodge at 8 p. m.

TRAILER COURT SOLD

The trailer court below Beacon Hill Lodge was sold by Elmo Moriano to Mr. L. C. Perkins of Richmond, who will make his home in an apartment to be constructed in the court with his wife Edith. Mr. Perkins plans to build a grocery store on the site, and be open for business the year 'round. Construction of the new buildings for the Donner Trail Grocery and Trailer Park will begin this week.

BAY AREA VISITOR

Grandma Aro, a long-time resident of the summit area, was up from her home in Oakland, visiting her son Eddie and Betty Aro.

BURBANK VISITOR

Dorothy and George Murray of Burbank spent the Labor Day weekend visiting with her younger sister Joyce West at the Snow Lab.

SQUAW VALLEY ASSIGNMENT

The fire control officer of the Big Bend Ranger District, Bob Mason, will remain at Squaw Valley through mid-September while presenting an intensive course in fire control tactics to military personnel in the California region who will be on call to assist the forest service in combatting any dis-

SOUTHERN PACIFIC TO DROP ANOTHER TRAIN

Southern Pacific announced that effective September 25 consolidations and schedule changes on connecting rail lines east of Ogden will make it necessary to consolidate the "City of San Francisco" and "Overland" between San Francisco and Ogden.

Notice of the change is being filed with the ICC.

C. E. Peterson, S. P. vice president of passenger traffic and public relations, said consolidation of the two trains will make for most expeditious handling of transcontinental passengers in view of schedule changes being made by railroads operating these trains east of Ogden.

ALL ARE URGED TO TAKE POLIO SHOTS

If you are over 40 and have not received polio shots, you should do so at once.

This is the advice of Dr. Ray H. Wiser, county health officer who has released a statement calling upon all persons, regardless of age to take the available shots. Polio, he said, has been known to occur in persons over 70 years of age.

In California during 1959 there were 408 cases of polio and 50 of these were in persons over 30 years of age and two were over 55.

At present, Dr. Wiser said, adults are less protected against polio and polio in adults tends to be very severe. Salk vaccine, he added, is safe and is from 75 to 95 per cent effective. There is no other method presently available to the general public to combat the dread disease.

"If you have not obtained polio vaccine, you should begin the series at once," Dr. Wiser declared.

astrous fires in the future. This training will help obtain the utmost effectiveness of the fire suppression organization.

SUGAR BOWL

Maintenance of the buildings and lifts at the Sugar Bowl is progressing in preparation for the winter season. Manager Ed Siegel stated that the new ski shop, to be managed by Bill Kline, will be completed soon. Ed, who took over the Sugar Bowl in August, came from the China Peak Ski Area in the southern Sierra, and originally is from Salt Lake City.

DONNER DOINGS

By VIRGINIA O'BEAR

Labor Day weekend is always a little sad for most people because at this time we realize that summer is just about over. The summer residents are leaving their homes at Donner Lake and returning with their children to the cities so they can go back to school. Our children do not go back to school until the 12th this year and have an extra week of vacation. It will really be quite lonesome for some of the mothers after school begins. This coming weekend will be a three day holiday for some as most places of business observe Admission Day.

Mr. and Mrs. Howard Lawson of Santa Rosa came up last week and enjoyed their first visit to Donner Lake. They visited Reno, Carson City and enjoyed their trip to Virginia City. They plan another trip our way when we get some snow and I hope we have snow early this year for another White Christmas.

Mr. and Mrs. William McMichael were weekend visitors from Santa Rosa and were celebrating their first wedding anniversary with Mr. and Mrs. Charles O'Beare, Sr., who made the trip up with them. They visited us after going to Reno and South Tahoe.

There is an attractive new sign near the foot of Donner Summit and it was put there by the Donner Lake Resorts. They worked hard to make this 16 x 32 foot sign an eye catcher which will benefit Donner Lake and Truckee. The Truckee-Donner Chamber of Commerce furnished the sign and Ivan Tofft, president of the Donner Lake Resorts, along with a crew of resort members, painted the sign and erected it. Regular meetings will start soon after the busy summer and the time and place will be announced later.

Mr. and Mrs. Milan Wight were up over the weekend with their three children and kept busy painting and fixing up their cottage. They are from Concord and enjoy their Donner visits.

I heard that Arline Johnson was up over the weekend but didn't have a chance to visit with her as planned. She kept busy painting and fixing her place so guess she

didn't have much time for visiting this trip, either.

Miss Clarita Richards took Tuesday off this week to attend the Sacramento State Fair. Clarita has been busy all summer with her horses and with the younger set going horseback riding every day. Every afternoon you can see Clarita in the lead with her horse with about five children on horses trailing along behind her around the west end of Donner Lake. I know, my daughter Jennifer is one of them and makes a daily trip to see the horses and give them sugar whether she rides or not.

We have a new 1,000 gallon tanker fire truck at Donner Lake now. The Donner Lake Volunteer Fire Department got it through Civilian Defense after negotiating and waiting for quite some time. It is three axle drive with a wench on front and a water pressure pump on the back. It is an ideal vehicle for the winter and can get through lots of snow and over mountains if it is necessary. It is being readied for use and will be in service very soon. A regular meeting will be held at the firehouse this Thursday night at 8 o'clock (September 8) and all firemen are urged to attend. Friday, a group of firemen are going to Sacramento to look for more equipment to better the fire department. After the recent forest fire, the department realized the necessity for various items which they are trying to obtain. A very special thank you is extended to Hap Warnke, Donner Fire Chief, for the calm, cool and collected way he handled the crisis during the fire. His wise decisions were approved by all of the firemen and they are very thankful to have him as chief. Also standing by at every opportunity was former chief Emery Lander. This Sunday, all available firemen are asked to be at the firehouse who want to help paint. Dick Quist heads the committee and would like help from all the firemen so they can get the outside of the firehouse painted.

The Ladies Auxiliary of the Donner Lake Volunteer Fire Department will meet this month at Donner Lake Lodge. The date will be September 15 at 7:30. The board meeting will be held on the 12th at the home of Dollie Harris and auxiliary members are welcome to attend at any time. A dance is being held at Smart's on September 17 and everyone over 21 years of age is invited.

BE CAREFUL WITH FIRE

FULL REGISTRATION OF VOTERS URGED

Governor Edmund G. Brown joined Secretary of State Frank M. Jordan in a strong plea to all non-partisan officials in California to aid the intensive drive for registering California voters before the September 15 deadline.

"Today, when people behind the Iron Curtain have lost the right to vote in free elections, we ask your cooperation in working to see that every citizen of California shows how much he values this precious right by registering and voting," said the letter.

It was signed jointly by the democratic governor and the republican secretary of state.

Secretary Jordan directed personal letters to all county clerks in the state. He said he was sure there are many unregistered voters in California, and solicited their help in facilitating registering and voting by citizens in their counties.

He cited the success many counties have had in rounding up voters by using roving deputy registrars, and asked the clerks to give this method "careful consideration."

Governor Brown also wrote a personal letter to each county clerk, a note of thanks to the volunteer deputy registrars who are already at work on the task, and a general plea to the public to "let every California voice be heard" on election day, November 8.

"Those who fail to register have thrown away their share of stock in democratic government," declared the governor.

"I urge every California adult to check up now upon his voting status."

The law requires a voter to be an adult citizen with a year's residence in the state, 90 days in the county and 54 days in his voting precinct.

A new voter may register before he is 21, if his 21st birthday falls on or before next November 8. Newly married women are required to re-register under their legal names.

Drop In . . . Look It Over

STRIKES & SPARES

BY JOE WILMAN
SHAKE HANDS WITH THE PINS

Occasionally a pupil in my instruction clinic will say, "What does it matter what I do with my arm after I release the ball?"

And if there is no connection between the arm's action AFTER releasing the ball and BEFORE releasing the ball, the follow-through wouldn't be important.

But, if a bowler stops his arm's swing as soon as the ball is released, he will unconsciously be stopping the swing or slowing it down BEFORE the ball is released. It is quite impossible to divide the arm's action into before and after the ball's release.

So, the act of following through becomes sort of an insurance policy. It guarantees that the arm is swinging on through the delivery, providing all the finger lift that's necessary.

The follow-through should bring your hand up directly to the level of your eyes and out toward your target as the illustration shows. I call it shaking hands with the pins.

STRICT ENFORCEMENT OF NO TRESPASSING

CRYSTAL BAY—Strict enforcement of "No Trespass" laws throughout the Incline Village development area was ordered today by Crystal Bay Development Co., owner of the property.

The order was issued by Arthur L. Wood, president of the company, as an aftermath of a small fire, quickly extinguished, apparently caused by picnickers. The fire, close to State Route 28, barely got started but had it gone undiscovered another half-hour it might well have wiped out the whole valley, fire district officials said.

The area, already closed to hunters and now to everyone, extends from the shore of Crystal Bay, Lake Tahoe, northward to the mountain crest, and from approximately a mile and one-half east of the old Mount Rose road to about a mile west of the new Mount Rose road.

CHRISTIAN SCIENCE

Meets at Wyethia Clubhouse, Truckee.
Everyone Welcome
Sunday School: 9:30 a. m.

Morning Services: 11 a. m.
God's promises to mankind are being substantiated today through scientific understanding of Spirit. This is the theme of the Lesson-Sermon on "Substance" which will be read this Sunday at all Christian Science churches.

Experiences of three men who received the fulfillment of divine promises—Abraham, Moses, and Zacharias—will be featured in the Bible readings, which also include this verse from Isaiah: "For the mountains shall depart, and the hills be removed; but my kindness shall not depart from thee, neither shall the covenant of my peace be removed, saith the Lord that hath mercy on thee" (54:10).

Among passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy is the following (491:12): "It is only by acknowledging the supremacy of Spirit, which annuls the claims of matter, that mortals can lay off mortality and find the indissoluble spiritual link which establishes man forever in the divine likeness, inseparable from his creator."

NOTICE OF INTENDED SALE

To Whom It May Concern:
Notice is hereby given that on Friday, September 23, 1960, at the hour of 10 o'clock a. m., the undersigned vendor, RALPH ROWTON, residing at Soda Springs, California, intends to sell and will sell to WILLIAM B. GRANDSON OF TAHOE COUPLE DIES IN EAST

KINGS BEACH—Byron and Wilma Abbott have just returned home from Sumner, Washington with the sad news of the passing of their grandson.

Scott Lemke, age 3 months, son of Mr. and Mrs. Maurice (Diana) Lemke, was rushed east through the assistance of an air force emergency mission for an emergency heart operation. The baby and his parents left August 27 by special plane and the operation was scheduled for the following Tuesday at Minnesota University Hospital. The mercy plane was flown up from Travis Air Force Base and medical personnel accompanied the flight east. Arrangements had been made for an ambulance equipped with oxygen to meet the plane.

The baby's ailment was a rare heart condition and all efforts were made to save his life, however he expired in the night before his operation could be completed on August 29. The Byron Abbotts and daughter Jacquie were with Diana and husband and older son, Mark, for the services at the Baby Cemetery in Sumner, Washington.

EASTERN GIRL WILL WED WILLIAM G. BARR

AGATE BAY—Mr. and Mrs. John J. Doyle of Cranford, New Jersey recently announced the engagement of their daughter, Miss Zibella Marie Doyle to William Gene Barr, son of Mr. and Mrs. L. D. Barr of Agate Bay, Lake Tahoe. The future benedict is well known in this vicinity, a graduate of Tahoe Truckee High School. He is presently serving in the United States Navy at Philadelphia, Pennsylvania. Miss Doyle attended a business college at Elizabeth, New Jersey and is employed at Kenilworth, New Jersey. The young couple plan a January wedding.

DEDICATION SERVICE FOR CHURCH HELD

KINGS BEACH — Dedication service was held by the Lutheran Laymen's League of the Lutheran Church-Missouri Synod on Sunday, September 4 at 3:30 p. m. at the North Lake Tahoe Summer Pulpit on Lakewood Avenue in the Dollar Hill area.

Rev. Henry G. Hartner, first vice president of the California-Nevada District of the Lutheran Church-Missouri Synod was the guest speaker. The Rev. Emil Leising, of Gardnerville, counselor for the local circuit served as liturgist and the Rev. A. Vollmer, pastoral advisor of the Lutheran Laymen's League and pastor of Sacramento, performed the rites of dedication.

The one-acre tract, one-fourth of a mile from the highway, between Tahoe City and Carnelian Bay was a gift of Mr. and Mrs. W. G. Gough who presented the gift for Lutheran services for residents of the area and vacationers, particularly during the summer months.

Open air services have been conducted for the past two years and pastors from the west coast, one even from Alabama has served as guest pastors.

Not only the land, but the chapel and the parsonage, not quite yet completed will be set aside for religious services and purposes.

A Lutheran mission will begin on Sunday, September 4 under the supervision of Rev. Armand E. Mueller, pastor of St. Luke's Lutheran Church in Reno. The

HIT-RUNNER SENTENCED
TAHOE CITY — Fred R. Durrough, cook at a Crystal Bay casino, was fined \$500 with the alternative of six months in jail on a charge of hit-run driving. He was accused of failing to stop at the scene of an accident in Kings Beach.

time and place will be given at a later date. All interested persons are to contact the Rev. Mueller in care of St. Luke's Lutheran Church, Reno, Nevada.

Brother Promoted—
Raymond Saibini instead of John Saibini received the recent promotion with the Sierra Pacific Power Company at Reno. Both men formerly lived here with their parents.

NEWSOM RESIGNS TO MANAGE AT SQUAW

SACRAMENTO — (CNS) — Gov. Edmund G. Brown announced that William Newsom, one of the persons who is participating in a 27-year contract for private operation of state facilities at Squaw Valley, has submitted his resignation as a member of the unemployment insurance appeals board.

Newsom, a general contractor in San Francisco, had submitted a resignation from the \$17,000 a year post earlier, Brown said, but had been asked to stay on until a successor could be found.

Announcement of Newsom's resignation came from the governor's office along with further explanations about the condition of some of the facilities constructed at Squaw Valley for the Winter Olympics last February. Brown had told newsmen there were many evidences of inferior construction.

SUBSTITUTE CLERKS NEEDED AT OFFICE

WASHINGTON, D. C.—The U. S. Civil Service Commission has notified Congressman Harold T. (Bizz) Johnson that it is receiving applications for the position of substitute clerks at the Kings Beach post office at Lake Tahoe.

The career positions pay a starting salary of \$2.16 an hour and are available to men and women.

Applicants must be a resident of the Kings Beach post office zone. Information may be obtained at the post office or the Civil Service Examiners in Reno, Nevada.

Nickel, one of the "newer" metals, was first produced in New Caledonia about 1865 and in Canada in 1866.

WEATHER

To those readers that left the area as our fall months approach are missing beautiful September and October.

FALL'S COMING

Some of the casinos, etc., are showing signs of closing for the season. Labor Day here and gone.

NEWCOMERS, PERMANENT ONES

Drexel and Warren Strahm from Sherman Oaks, who purchased a home on Brassie Avenue, arrived today to establish their year 'round residence. Welcome to our community, Drexel and Warren.

BIRTHDAY

Joellyn Ashton celebrated her birthday, congratulations to you, dear, on September 4.

SYMPATHY

Our heartfelt sympathy goes out to Byron and Wilma Abbott, grandparents, and to Diane and Maurice Lempe, parents of little Scott Allen Lempe, age 3 months, who passed away on August 29, 1960. He was buried at Sumner, Washington, on September 1. Jackie and Diane are the daughters of the Byron Abbotts of Kings Beach.

Ladybird beetles usually hibernate from October to February, frequently deeply covered by snow during the winter.

TERRIBLE LOSS FROM DONNER FIRE TOLD BY WAYNE HUBBARD

By WAYNE G. HUBBARD
Secretary-Manager, Keep California
Green, Inc.

We seldom recognize the importance of our forest resources until a major disaster such as the Donner Ridge fire strikes. We take for granted the employment, the beautiful forested areas, and the recreation and hunting sites which this region provides.

The three major fires which began on August 20 in northern California ultimately burned enough wood and material to build 50,000 homes. It is estimated that only a portion of this can be salvaged.

In the Donner area, what of the other products in the forest? Will this land again produce wood products, recreation and game for use

by citizens of this area and other areas of the state?

Someone calculated that the wood material completely lost in the fires of August 20, would build a 6' high fence from Juneau, Alaska to the Mexican border.

Congress has been recently asked to supply funds for replanting government lands devastated by fire in California. If the government acres burned in the Donner fire had to be planted it would require nearly 30,000,000 trees and cost more than \$2,000,000 for clearing and planting. Fortunately, Mother Nature will do most of the reforestation from unburned islands of trees in the fire area and living trees adjacent to the fire.

If a project of this magnitude could be undertaken it is not likely that sufficient trees would be available from existing nurseries. Demands for trees following the disastrous fires of 1959 have not yet been met. The areas burned in previous years would undoubtedly

have priority.

Some have contended that controlled burning over the years might have prevented the disaster at Donner ridge. Close examination indicates that this area is primarily a young timber area. If controlled burning had been done in the Hobart region many second growth trees would undoubtedly have been destroyed and Christmas tree stands would not have existed. When controlled burning is used the undergrowth is, of course, burned away. When the undergrowth is the next crop then losses are certain and damage to future employment and future production is seriously hampered.

Near Hobart Mills a portion of Fibreboard Products Corporation's Tahoe Tree Farm was lost in the fire. Many other private owners lost Christmas trees and range lands. As many as 10,000 acres of private land were burned in the Donner fire.

Most private owners and the U. S. Forest Service are now concerned with immediate salvage of burned material from the fire area. Salvage of small timber is difficult and often costly but very necessary to the protection of adjacent unburned areas as well as reforestation of the burned acres.

Once the fire is out a long process of rebuilding the land is necessary. This includes the prevention of future fires and the protection of growing timber from insects which thrive on weak, burned trees. If these weakened trees are left in the forest an insect population may develop which will do as much damage as the fire itself.

In California we are beset with annual losses to man's carelessness. Many fires are started by lightning but over the years man has started more than 75 per cent of the forest fires in this state. When carelessness is combined with high winds, low humidity and long dry spells then a disaster usually occurs. This was the case on August 20, as it was in late October of 1959. If we are to protect our forest resources and the products and enjoyment these forests provide, then it is essential that each citizen recognize his responsibility for care with fire.

The causes of the fires at Forest-hill, San Juan and Donner Ridge are being investigated. In each case it is certain now that these were man-caused and man must suffer the consequences for a second's carelessness.

Organizations have been established to prevent just such disasters as the Donner Ridge fire. The forest industries working with the state and federal agencies are constantly reminding people to

TAHOE ITEMS

Mr. and Mrs. F. J. Starr of Hollywood are spending a few days with Mrs. Starr's sister, Mrs. E. Wille of Tahoe City. Mrs. Charles Borghia, also a sister will join them here for a visit. Mrs. Borghia is a long time resident of Sparks, Nevada.

Mr. and Mrs. Loren Coryell have left Kings Beach for Los Angeles.

Mr. and Mrs. Fred Main are spending the winter between Tahoe City and South Laguna, California.

Dr. and Mrs. G. B. Fuessel who have been spending several weeks at Crystal Bay, Nevada expect to return to Pasadena.

INCLINE IS CLOSED TO ALL HUNTERS AT LAKE

CRYSTAL BAY—Closing of the entire Incline Village development area to all hunting was announced today by the Crystal Bay Development Co., owners of the property.

Decision to close the land to hunters, including bow and arrow enthusiasts, was made because of the explosive fire danger in the area, plus concern for the safety of more than 200 employees working throughout the 9,000 acre property, the announcement said. "We sincerely regret closing such a large tract," said Harold B. Tiller, executive vice president of the development company, "but we've got to take every precaution against fire, or injury to our employees, by keeping out all but our own people."

The closed area includes all of Incline Valley extending from the shore of Crystal Bay, Lake Tahoe, north to the summit of the mountains, and from approximately one and one-half miles east of the old Mount Rose road to about a mile west of the new Mount Rose road.

take precautions with open fires during hazardous periods. Keep California Green is the citizen and industry-sponsored program with the aim of publicizing and promoting the needs for fire prevention. These recent fires certainly point up the need for more attention to Keeping California Green.

No. 6092

**NOTICE OF ADMINISTRATOR'S
SALE OF REAL ESTATE AT
PRIVATE SALE**

In the Matter of the Estate of
WILLIAM ELMER MARCKEL, also
known as **WILLIAM E. MARCKEL**,
also known as **W. E. MARCKEL**,
Deceased.

NOTICE IS HEREBY GIVEN that
John C. Morckel, Administrator of
the estate of William Elmer Marckel,
also known as William E. Marckel,
also known as W. E. Marckel, deceased,
will sell at private sale in one parcel to the highest
bidder, on the terms and conditions
hereinafter mentioned, and subject
to confirmation by said court, on or
after the 12th day of September, 1960,
all the right, title and interest of the
estate of the above named decedent at
the time of his death, and all the right,
title, estate and interest that the said
estate has by operation of law or
otherwise acquired other than or in
addition to that of said decedent
at the time of his death in and to
that certain lot, piece or parcel of
land situated, lying and being in the
County of Nevada, State of California,
particularly described as follows:

A portion of the Northwest one-quarter of Section 15, Township 17 North, Range 16 East, M. D. M., being more particularly described as follows, to-wit:

Beginning at a point on a South-easterly line of that certain parcel of land now owned by the State of California, as said Southeasterly line is described in that certain deed dated September 30, 1957, recorded December 5, 1957, in Book 239, page 534, Official Records of the County of Nevada, State of California, from which point of beginning the Northwest corner of the said Section 15 bears North 55° 18' 40" West 2538.9 feet distant; thence from said point of commencement with True Bearings South 43° 19' East 7.90 feet; thence North 59° 28' East 62.83 feet; thence North 52° 32' East 55.64 feet; thence North 48° 50' East 46.12 feet; thence North 48° 37' East 54.26 feet; thence North 53° 29' East 71.78 feet, to a point in the Southwesterly line of that certain tract of land described in the deed dated November 1, 1947, recorded December 9, 1947, in Book "126" at page 28, Official Records of the County of Nevada, State of California, executed by Jennie Donnelly Watkins, also known as Jennie Donnelly Watkins, to Fred O. Morris, et ux, thence running along the Southwesterly line and the Northwesterly line of said Morris Tract as the same is described in said deed, and also along the Northwesterly line of that certain tract of land described in the Deed dated February 3, 1947, recorded February 6, 1947, in Book 114, page 181, of Official Records, C. A. Tollefson, et ux, to Arthur H. Lawson, et ux, bears the following two courses and distances: North 40° 05' West 59.47 feet and North 49° 55' East 176.20 feet; thence North 60° 31' East 17.58 feet; thence North 35°

WEST SHORE NOTES

(Continued from Page 2)

just three days in their newly completed home in Vallejo before coming to the lake this season. Recent guests at the Scheetz Tahoe Tavern Heights home were Mr. and Mrs. Paul Silveira and son Ricky of Vallejo, and Dr. and Mrs. Kenneth Dixon of Vacaville.

The H. W. Smiths of Homewood have sold their lodge and coffee shop to Alex Fulvio of San Mateo, and returned to Palm Springs to take over Fulvio's Villa Hermosa there, which they purchased. The Fulvios have a home in Kings Beach.

Jacie Campbell of Tahoma has passed the examination to sell real estate and is working with Wulfin Co., at Larry Helm's office in Homewood.

Sorry to learn of the illness of Star Route Driver Ivan Wilson. Son Doug is handling part of his route and Steve DeWalt of Tahoe City is taking the other. All good wishes for a swift recovery, Ivan.

At a public hearing in Placerville for proposed changing of zoning at Tahoe Cedars Tract on August 30, little was accomplished. Zoning now is urgent if we are not to be swamped by a railroad siding

14' East 146.00 feet; thence in a Northwesterly direction 22.00 feet more or less, to a point on a South-easterly line of said parcel of land now owned by the State of California, said parcel is as described in said deed dated September 30, 1957, referred to hereinabove; thence along the Southeasterly lines of said State of California parcel, the following courses and distances: South 48° 53' 17" West 190.29 feet to the beginning of a left curve having a radius of 665.00 feet; thence along said curve in a Southwesterly direction, consuming an angle of 15° 02' 22" a distance of 174.55 feet to the end of said curve; thence South 33° 50' 55" West 156.02 feet to the beginning of a right curve having a radius of 535.00 feet; thence along said curve in a Southwesterly direction, consuming an angle of 12° 50' 05", a distance of 119.84 feet to the place of beginning.

Terms and Conditions of Sale: Cash in lawful money of the United States, 10% of the purchase price to be paid at the time of sale, balance on confirmation of sale, taxes to be prorated as of the date of confirmation of sale by court. Title insurance to be issued through Nevada County Title Company at expense of Buyer.

All bids or offers must be in writing and may be left at the offices of John L. Larue, attorney for said administrator, 231 Broad Street, Nevada City, California, or may be delivered to the administrator personally at 2513 Chatham Street, El Cajon, California, or may be filed in the office of the clerk of the above entitled court at any time after the first publication of this notice, and before the making of the sale.

DATED: August 24, 1960

John C. Morckel
Administrator of the Estate
of William Elmer Marckel,
alias, deceased.

A25-S1-8

type of infiltration now going on. The "U" or classified zoning is allowing this to happen and unless residents do something soon the damage will be done and the character of the area will continue to deteriorate.

Dr. J. S. Calcagno of San Jose has purchased the C. J. Wold house on the beach at Tahoma. Bill Haste handled the transaction.

Vacationing at Tahoe Pine Lodge, and enjoying the blue waters of Tahoe in their speed boat and water skiing were the Angelo Marinos and family.

Young Cheryl Murdock, daughter of Anaheim's director of public works, spent a vacation with Mrs. Dorothy Friday at Stanola Lodge. Also in the group were Bob Squire, Dave Pagano and Dorothy's mother, Mrs. M. V. Koehler, all of Anaheim.

The George Varnums of Los Angeles are at their Tahoma cabin. Recent guests were Mr. and Mrs. Cecil Irish, also of Los Angeles. The Varnums will celebrate their 48th anniversary in October.

The Gordon Minors and John Cirimelles of West Shore Lodge have returned to school teaching in Oakland. Bobbie and Foster Record will be in charge there until the lodge closes.

Guests of Jack Dow at Pinecrest Lodge came unexpectedly prepared for the recent power blackout. Lee Adams of San Francisco took a fancy to a Japanese hibachi en route to Tahoe and bought it, despite his wife's protests that they wouldn't need anything like that up here. Lee was pretty snug about the whole thing when he roasted a leg of lamb on it the night they arrived.

The Edward W. Gustafsons, and Captain and Mrs. Charles Carlson and daughter Adrian of Oakland enjoyed a long pleasant summer

at their Rubicon house.

The Marcus Browers and family of Berkeley spent several weeks at their Tahoma place.

Mrs. Corey Cunningham of Woodland Hills is visiting the Ralph Hicks at Tahoma. A sister, Mrs. E. L. Eakin of Burbank is also a guest.

At Tahoma, the Steeles and Busards have had as summer guests, the Emighs, the Tullys, and the Grublers from the east. Mrs. Lillian de Lorimer of Los Angeles, president of the Eldorado Toast-mistress Club there, spent some time with them this month. Also at the Steeles is Mrs. Vi Caine of Piedmont.

GLORIA TRACY WILL BE ON RESORT BILL

Sparkling harpist Gloria Tracy, kingpin of the Gloria Tracy Trio, joins comedian Pat Harrington, Jr. and songstress Ruth Wallis at the Nevada Lodge, the 100-room resort hotel casino at the scenic north end of Lake Tahoe.

Harrington, better known through his appearances on the Steve Allen and Jack Paar TV shows as Italian dialect comedian "Guido Panzini" and Miss Wallis, billed as "America's Number One Singer of Saucy Songs" entertain in the Nevada

Lodge's Nevada Room supper club. The Gloria Tracy Trio, with Gloria at the harp, Jerry Tracy on bass and Ricky Lipp at the piano joins the Esquire Trio, Rossi & Boyer, and the Ann Edwards Headliners now appearing in the Nevada Lodge's theater bar.

TRUCKEE AREA—There will be four (4) buses available for Truckee students leaving the Old Truckee Elementary School between 8:20 a. m. and 8:35 a. m. Also pick up students at Shell Station for both elementary and high school.

INVESTIGATION WILL BE MADE AT SQUAW

SACRAMENTO — Governor Edmund G. Brown has called for an investigation of alleged bad construction and inferior materials at Squaw Valley.

The 1960 Winter Olympics, Brown told his news conference, was fraught with bad planning, "some construction was bad and there was considerable waste." He pointed out that his administration dealt with only the last year of Olympic preparation. Now, with the Olympics site being converted into a state park, "we're trying to do the best we can with a situation that existed before we came in."

Among the changes to be made, he said, was "taking out the outdoor skating rinks because the pipes were of such inferior quality that they won't stand up."

He said the barracks also will have to be changed to make them suitable for resort use.

Charles DeTurk, chief of the state division of beaches and parks, revealed a plan to convert Squaw Valley into a state park that would cost about \$2.1 million.

Asked whether there was a possibility that "any specifications were violated in the installation of inferior materials," Brown replied:

"I have thought of that. I will have the attorney general look at these contracts."

"If there is any liability, we will go after the people (contractors) for it," Brown said. He added that he did not want to be too critical, because the Olympic planners "didn't have the time to do specific planning" and they were under pressure all the time.

But he said his main point in mentioning it at all was to clarify to the public that his administration was faced with the problem when it took office in January, 1959, and it made the best of a bad situation.

Whatever the outcome of the Squaw Valley situation, "good or bad, we will neither take credit nor blame," Brown said.

EASTERN STAR WILL HAVE PARTY SEPT. 10

An All-Officers Party will be held Saturday evening, September 10 in the Masonic Temple at 8 o'clock by members of Truckee Chapter No. 116, Order of the Eastern Star.

The evening's theme will be Carnival Night which promises to be a happy time for all members. The local organization is extending a special invitation to all officers of other chapters.

Worthy Matron Margaret Craig and Worthy Patron Sam Faulkner will preside at the meeting.

PICKLE DISH

A pickle dish of leaf shape in many colors, made in Phoenixville, Pennsylvania, 97 years ago is being displayed in the window at Heller's Variety as a current attraction. The unique ware was named for the potter, Majolika and was discontinued in 1890 when fire razed the factory.

LEHMAN SAVES CABIN AS CATTLE BURNED

Mr. and Mrs. Ivan Lehman of Shingle Springs who range their cattle at their ranch northeast of here on the Little Truckee and Sage Hen Creek, were among the major losers in the Donner Ridge fire, according to a letter from Mrs. Lehman.

She said that on August 21, Mrs. Merrill Yost phoned from Hobart Mills to advise them that the fire had jumped Highway 89 and was headed directly toward their buildings. Lehman rushed to the scene and got to their ranch and stopped the fire just two feet from the main cabin by using a pitcher and basin to throw water on the burning grass.

He checked the cattle on Sage Hen and found all to be o. k. but on the Little Truckee found many cattle suffering from burns.

A check up, according to Mrs. Lehman showed 94 head of cows and calves severely burned. They also lost considerable timber and many Christmas trees. Much fencing was destroyed.

Many of the burned cattle were taken to the valley ranch where they are being treated and it is believed all will be saved.

IMMUNIZATION CLINIC WILL BE HELD HERE

On September 16 the Nevada County Health Department is offering polio and other immunizations for preschool children and adults. At present, adults are the least protected against polio. All persons, regardless of age, need to be immunized against the disease. The free clinic will be held at the old elementary school in Truckee between 12 noon and 1:30 p. m. Doors close promptly at 1:30 p. m.

The polio season is upon us so everyone should complete their immunizations now. If it has been 7 months since you had your second injection you are due the third. If a year has passed since you have had your third injection you are due for the fourth polio injection now.

HOSPITAL PRAISES EFFORTS OF UTILITY

The Truckee Public Utility District has received a letter from J. J. McGlade, administrator of the Tahoe Forest Hospital expressing appreciation for the excellent service rendered by the district during the loss of power in the community as a result of the recent forest fire.

In the letter to Manager Wilbur Bell, McGlade said:

"I want to compliment you personally and the members of your electrical staff for the fine efficient way in which you handled the situation for us. It was a pleasure working with you and your crew."

"As you know, we were very busy during this period of time, and your cooperation with our power needs was a great help to us under these difficult conditions."

At Yellowstone—Mr. and Mrs. Lloyd Van Sickle and children of Truckee now have an address at West Yellowstone, Montana.

WATER SKIER HURT IN BOAT ACCIDENT

Sheriff's deputies are investigating a boating accident at Property Owners' Beach at Donner Lake last Friday in which Kevin Callahan, 9, was injured. According to witnesses, Kevin was being towed on water skis by Ralph Martin when a boat driven by Nancy Murphy, San Francisco cut between the boat and the skier.

Miss Murphy did not report the accident and it was reported by Arnold Verdi who rented the boat to Martin. Witnesses said the Murphy boat was too close to the shore and was traveling between 25 and 30 miles an hour. No citation has been issued.

Going To U. of N.—Merrill Englehart celebrated his birth date September 3 just before entering the University of Nevada.

BROWN WILL TAKE NO ACTION ON HUNTING

SACRAMENTO — (CNS) — The present season having been a bad one for forest and brush fires, the usual requests from some counties that Gov. Edmund G. Brown close the counties for the Sierra deer hunting season have been in the mill.

On the basis of his performance in a similar situation last year, it was expected Brown probably would take no action, other than to reiterate warnings to persons entering the forest and brush areas to use extreme caution.

FIRST AID COURSE ON SEPTEMBER 13

The Standard First Aid Red Cross course, for beginners and those wishing a refresher course, will be offered at the Tahoe Truckee High School beginning next Tuesday, September 13, at 7:30 p. m.

The classes will be taught by Mrs. Charles Patoude, school district nurse. The remainder of the meetings will be decided upon at the first class.

Visits Here—

Miss Sharon Pace, accompanied by Dion Craddock and William and John Sewell all of San Francisco, have been visiting with the former's parents, Mr. and Mrs. A. Pace at Gateway.

Name, Julie—

Julie Clarice are the names chosen by Mr. and Mrs. Doyle Densley of Truckee for their new daughter.

From Norden—

The N. Diaz family has moved from Norden to Truckee.

CARD OF THANKS

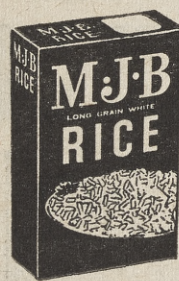

Mrs. Lawrence K. Baugh and family wishes to thank everyone who was so kind when Mr. Baugh died unexpectedly, especially the hospital, Callie Kydd, Mrs. Victor McLane and Mr. Alvah Hooper.
